AGENDA PRESENTATION:

Shri Joy Chandra Chakma, AGM, SLBC, Assam , presented the agenda of the meeting.

The following notable action points emerged from the discussion in the Meeting:

REVIEW OF CREDIT DEPOSIT RATIO:

Mr. Adil Khan, IAS, Secretary, Welfare of Minorities & Development Department informed that a sub-committee meeting on Low CD Ratio in Barak valley districts was held on 06.12.2025. He appraised the house that there was marginal improvement, but much needed to be done. He opined that there was visible lack of efforts from the Banks and they needed to step up. He also informed the house that outreach activities from Banks were not visible. He pointed out that there was only one LDM for Sribhumi and Hailakandi. He asked PNB to arrange for 2 LDMs and PNB assured that they would post separate LDMs for the two districts. He further informed that the movement under SHG finance to individuals was very slow. Shri Adil Khan further discussed that one of the possible reasons for underfinancing to SHGs was that Banks were not willing to lend to individuals who were members of SHG groups availing finance from some other Bank. Comm. & Secy, Finance Department, Govt. of Assam expressed his concern on the state of Priority Sector lending and requested Government functionaries to attend DCC meetings to continuously monitor the progress under PSL advances. DGM SLBC commented that only GSS advances were not sufficient to improve CD Ratio in Barak Valley districts and it would be rational for the Banks to finance huge infrastructure projects and other development activities. To this end, he requested the state Government bodies to disseminate information about upcoming projects and development activities so that the Banks could be nudged to finance these projects or the contractors involved in these projects. CGM, SBI suggested that at Cachar district the CD Ratio was already 48% and all Banks could attempt to achieve 50% CD ratio within the month of December'25.

Further, review was conducted for banks whose CD ratio is below 60% at the State level. The Commissioner & Secretary, Finance Department urged the house to focus their efforts towards improvement in CD ratio at state level. Further, he expressed his dissatisfaction with the performance of PNB as Lead Bank in majority of districts in Assam and major share in total deposits of banking sector in Assam but having CD Ratio below 50%. He was especially concerned about the sub-par performance of PNB in all the four districts having CD Ratio below 50%. PNB assured that they would improve their performance within the next quarter.

DGM, SIDBI informed the house that at Hailakandi, they were undertaking Micro enterprise promotion project and PNB being the lead Bank could take advantage of the project.
