1.2 List of participants in the meeting is enclosed as Annexure.

2.0 At the outset, the Chief Secretary, Manipur welcomed the Hon'ble Chief Minister and requested him to deliver the opening remarks.

2.1 The Hon'ble Chief Minister, Manipur expressed his pleasure in chairing the State Level Bankers Committee meeting and congratulated the banks for serving the people of the State by offering different banking services. The Hon'ble Chief Minister highlighted the importance of banks in shaping the economy of the country and advised the following priorities for banks in the State.

2.1.1 The Priority Sector advance, under Annual Credit Plan, was only 12% which was very low and advised the banks to increase it upto the minimum benchmark.

2.1.2 Hon'ble Chief Minister advised that the economy of the state was based mostly on agriculture and advances under this sector should be 18% of the total advances, whereas the achievement in Agriculture under Annual Credit Plan 2018-19 stood at 4% which was very low. The Hon'ble Chief Minister also highlighted the Central Government's scheme of doubling farmers' income by 2022 and also the State Government's priority on irrigation and fishery. The Hon'ble Chief Minister advised that fish was one of the main ingredients of diet in Manipur. But the fish production in the state was only 50% of its requirement. Hence, 50% of fish requirement is bought from other states. Estimated outgo on this is about Rs. 400 crores a year.

Hon'ble Chief Minister further advised that a Committee had been formed to look for the feasibility of boosting the fish production at Loktak and its adjoining areas. The Govt. had already identified around 800 farmers for this. The Govt. would also be ensuring mortgaging of the farm land against the loan given to the farmers. This would ease the banks for financing. Selection of farmers would however be the sole right of the banks.

2.1.3 Hon'ble Chief Minister expressed his concern over the slow progress in opening of bank branches at Unbanked Blocks. Out of 27 Unbanked blocks, only 11 blocks were covered by bank branches which was not acceptable to the Govt. as the matter is also being regularly monitored by the Hon'ble Prime Minister himself during the Chief Minister's Conclave held every quarter. The Hon'ble Chief Minister advised the House to decide on the timelines for opening of these remaining branches.

Hon'ble Chief Minister advised that no bank branches were opened at identified 11 Urban Local Bodies and further advised that he had recently visited Kakching Khunou and had promised to open a bank branch there. He suggested that the House should take necessary steps for the same.

He also raised his concern that only 8 villages had bank branches out of 46 villages which had population above 5000 and advised the House to take decision on opening these remaining branches.

Hon'ble Chief Minister applauded SBI for opening three new branches at Tamei, Sugnu and Lilong during the quarter and advised other banks to follow the suit. He also advised that India Post Payment Bank which was recently launched would play a significant role in penetration of banking services as most of their outlets were located in the remote areas of the state. He further advised the House to include the bank for financial inclusion.

2.1.4 Hon'ble Chief Minister finally advised that the State Government is planning to give ranking to all the banks operating in the state based on the services provided to the public. The top few banks would be rewarded with State Government deposits. The remaining banks would have to improve their performance in order to be eligible for such deposits. The Principal Secretary, Finance was advised to explain the details.

The Principal Secretary, Finance apprised that the Department has come up with plans where different parameters have been identified as below and requested the House for discussion and suggestions on both aspects, i.e., the parameters as well as their weightages:

- i. CD ratio (Weightage 30%): Principal Secretary, Finance invited suggestion as to which CD ratio should be considered out of CD ratio 1, 2 & 3.
- ii. Achievement under Annual Credit Plan (or Priority Sector) (Weightage 10%):
- iii. Achievement under Agriculture sector (Weightage 20%):
- iv. Branches opened in Unbanked Blocks (Weightage 10%):
- v. Branch Network (Weightage 10%):
- vi. No. of branches in Hill Areas per Branch (Weightage 10%):
- vii. ATMs per branch (Weightage 10%)

Numerous suggestions were given which are listed as below:

- i. The General Manager, SBI suggested that the no. of CSPs should also be made one parameter as CSPs were the key instruments for financial inclusion.
- ii. The General Manager, NABARD suggested that SHG linkage should also be made one of the parameter which was also seconded by the Additional Chief Secretary, RD & PR, Fisheries.
- iii. The Additional Chief Secretary, RD & PR, Fisheries suggested that no. of bank accounts opened per branch should also be made one of the parameters.

iv. The Asst. General Manager, RBI made the following suggestions:

a) The achievement under Lending to Priority Sector should be given more emphasis as compared to the overall achievement under the ACP. This is due to the fact that some banks have been able to achieve their ACP targets due to lending to non-Priority Sector even as their lending to the Priority Sector remained below the stipulated target.

b) Branches opened in unbanked urban local bodies and unbanked villages need to be factored in under the parameter for branches opened in unbanked blocks in line with the Hon'ble CM's observations on these segments. The parameter may be suitably reclassified as 'Branches opened in unbanked areas'.

c) No. of branches in Hill Areas per branch may be modified to No. of rural branches as per classification of branches into rural, semi-urban and urban based on the population of the area.

v. The Chief Secretary advised that focus should be made on per branch concept as absolute no. will give disparity to the whole exercise. The Chief Secretary advised all stakeholders to give suggestions within a week so that the departments could compile and prepare final ranking.

(Action: All Stakeholders)
