The SLBC Sub-Committee on RSETI was held on 3rd July 2024 in the Office Chamber of the Commissioner & Secretary, Department of Rural Development under the Chairmanship of Shri. Kevisa Kense IAS Commissioner & Secretary, Government of Nagaland. While delivering the opening remarks, the Chairman welcomed participants and stressed on the significance of RSETIs in building rural economy and generating self-employment avenues in the State. Further, the Chairman conveyed the Ministry's message on the need to set up more RSETIs in the state during MoRD's Empowered Committee meeting. To this, the Chairman also expressed dismay with the lackluster approach of certain stakeholders in coming forward to setting up allotted RSETIs in the State. Further, the absence of Officials from Bank of Baroda was noted since Mon District has been assigned to the Bank for setting up RSETI.

1. The minutes of the last SLBC Sub Committee on RSETI was reviewed and action taken was discussed wherein the State Mission Director highlighted the communication gap existing amongst the stakeholders and impressed upon the members on the need for close coordination.
2. State Director for RSETI (SDR) in charge of Nagaland highlighted the process of approval for setting up RSETI. The SDR was tasked with filling up the check list and concurrence from the LDMs of Mon District and Phek District.

Further, it was mentioned that the building identified in Tuensang District was not feasible for training and therefore it was suggested to SBI to direct LDM for re-evaluation and do the needful.
4. The Sub-Committee discussed at length on the need for setting up more RSETI in the State and unanimously suggested for setting up in Phek District by SBI for wherein the District administration has already notified availability of land and in Mokokchung District by Axis Bank for which training facility is available.
5. While highlighting the status of SBI RSETI Peren, the RSETI Director shared the challenges of limited infrastructure while the yearly training target has increased from 420 to 650 by MoRD. It was also informed that the allottee bank has been approached to support through CSR fund to meet the challenges.

Accordingly, the SLBC Sub Committee Meeting on Agriculture Infrastructure Fund was held on **21st January, 2025 at 11.00 AM at APC (Agricultural Production Commissioner) Conference Hall, Nagaland Secretariate, Kohima.**

MEETING MINUTE:

The committee discussed about Primary security issue for Agriculture Infrastructure Fund. Smt Limanenla, Joint Secy., Agriculture Department and Chairman of the committee reported that Nagaland has been allocated 230 crores under AIF scheme and till date only 3 projects have been approved by the ministry however only 2 loans has been disbursed by the lending institute. One project is pending for disbursal at lending institution level reportedly due to Primary Security issue. The pending disbursal is with Central Bank of India, Wokha. After having thorough and threadbare discussion, the committee decided upon the following points:

1. Representative of Central Bank of India, after enquiring with the concerned bank branch, reported that the problem of disbursal is not due to Primary Security issue. The fact is that the applicant applied for Working Capital finance whereas as per the guidelines of the scheme, there is no provision of Working Capital finance . All loans under Agriculture Infrastructure Fund have to be financed under Term Loan only. It has been clarified here that primary security for AIF will be asset created out of bank loan and collateral security is waived upto the limit of Rs 2 Crore as there is a provision of Credit Guarantee Scheme. It is decided that the concerned bank will guide and assist the beneficiary so that the loan is disburse in time. SLBC will also keep track of the status of the loan.
2. The committee also discussed in brief about mortgage of land in the rural areas where there is no cadastral land. The committee came to the conclusion that unless proper land record system is maintain in the rural areas it is difficult for the banks to extend finance against mortgage of landed property. The committee recommended that the state urgently needs to come up with proper land record system with record of rights for all categories of land so that the people can easily avail loans against landed property.

The meeting end with vote of thanks from the chair.

Corporate Social Responsibility (CSR) Submission from IDAN

On 1st April 2014,

India became the 1st Country to make Corporate Social Responsibility (CSR) legally mandatory. Section 135 of the Companies Act 2013 deals with CSR where it is mandatory that every Company with.

1. Net Worth of Rs 500 Cores
2. Turn Over of Rs 1000 Cores
3. Net profit of more than 5 Cores p.a has to mandatorily spend every financial year 2% of its net profit made during the immediately preceding 3 financial year as per its CSR policy.

Since inception, it is seen that all Corporates direct their CSR funds to the states where they have their presence and where they can get market leverage. There is a huge disparity in the Regional distribution of CSR funds. The States in North East India, especially Nagaland does not feature in the CSR map of the Country. However, it is these States who need CSR support the most. These States are totally dependent on Central funds for starting any activity. Central grants are limited and not enough to fund most of Socially Responsible Projects.

In order to enable the State to catch up with the rest of the Country, the Banks can come in and play a huge role for the overall development of the State. In earlier State Level Bankers Committee meetings, CSR was an agenda item, however this has not been pursued for sometime. The authorities may consider bringing back this agenda item.

Since almost all banks operating in the State are making profits, they can each take up a few CSR Projects which will help to improve the quality of life of the people at the same time boost the image of the Bank.

Schedule VII of the act indicates the activities that can be undertaken as CSR which broadly relates to, Health, Sanitation, Education, Environment, Sports, Heredity, Art Development, Slum Area & Culture, Rural Development, Disaster Management, including relief & Rehabilitation & Reconstruction Activities, Setting up old age homes, day care centers, measures for reducing inequalities faced by socially & economically backward groups etc.

- No capital charge / provisioning is required to be maintained by the MLIs on the credit facilities covered under credit guarantee scheme of CGTMSE.
- CGTMSE acts as an alternative risk mitigator, especially for borrowers with limited or no realizable assets.
- With the revised fee structure guarantee is not a burden to the borrower.
- Faster recovery process under CGTMSE thereby avoiding potentially lengthy legal procedures associated with traditional collateral.
- If the account is secured by CGTMSE, the dealing officers would be in safe position in case of any eventuality.
- MLIs can have zero risk weight which allows them to have more capital leverage.
