List of participants is enclosed as annexure I.

Shri. Paogin Haokip, AGM RBO Dimapur, welcomed the dignitaries and all the participants to the meeting and requested the members to participate actively in the deliberations.

In his opening remarks Shri. B. Ramesh Boddu, DMD & Chief Operating Officer, SBI Corporate Centre, Mumbai, highlighted the major presence of SBI in the State, having 68 branches out of 180 bank branches, 220 ATMs out of 320 ATMs and 97 CSPs out of 124 CSPs in the State. Regarding the overall performance of banks in the State, he noted that while there has been a decline in deposit, advances registered a growth of 791 crore during the first two quarters. He urged the banks to take concrete measures to improve their CD ratio to bring the overall CD ratio of the State from the existing 48.25% to the benchmark of 60%. He advised the banks to achieve their annual credit plan for the current financial year and the mandated 40% priority sector lending and improve the lending margin to agriculture sector. He sought active assistance of the State Government in the recovery of bank dues especially in the Government sponsored schemes so that banks can lend more freely in the priority sector. While acknowledging the need to provide banking facilities in the 30 unbanked Blocks, he highlighted the lack of connectivity, RCC building for banks, security etc. and urged the State Government to take measures to improve overall infrastructure in these Blocks.

In his opening remarks, the Chief Secretary highlighted that during the last four and half years, allottee banks have been able to open bank branch only at two Blocks, namely, Tsurangkong by SBI and Ralan by IDBI. He emphasized the necessity of opening bank branches in the unbanked Blocks by the allottee banks without further delay because without that, financial inclusion, social security schemes and direct benefit transfer cannot be effectively implemented in the State. He also urged the banks to ensure timely follow up action on the decisions of the SLBC and furnish action taken report to SLBC convener SBI, whenever called for. He also raised the following three points for consideration by the banks

and desired consolidated views of the banks from SBI to be furnished to the OSD (Finance) for discussion in the next SLBC meeting :

- (i) Given the peculiarities of the North East, can a modified Micro-Financing System be devised for the region?
- (ii) Can bank officers, during their probation, have a North East attachment, to sensitise them to the problems of the region?
- (iii) According to Shri C.K. Das, former CS of Assam and former NE Council Member, two years ago, there were about 30,000 job vacancies at various levels in the banks in North East. What is the vacancy position now and why are the vacancies not filled?

Concluding his opening remarks, as he had to attend to other urgent official duties, the Chief Secretary entrusted Shri Taliremba, Officer on Special Duty ( Finance ) to chair the meeting.

29	Kikruma, Phek	SBI	CSP is already functioning very smoothly and as per the guidelines of the RBI the Block should be removed from the list of unbanked Block. 30	Chetheba, Phek	SBI	CSP is already functioning very smoothly and as per the guidelines of the RBI the block should be removed from the list of unbanked Block.	The Chairman urged the bank to open a branch there expeditiously considering the fact that a CSP cannot provide all facilities of a bank branch.

Shri. Sunil Kumar Tandon, CGM urged the bankers to think out of the box while facing the problem of placing CSPs/BCs. He said that one way to overcome this problem could be to remit the money of the CSPs through Postal Bank. He also said that as per RBI guidelines, if a CSP/BC is already placed in a Block they should no longer be categorized as unbanked. He suggested that the consideration to open bank branches in the unbanked Blocks should be followed up in a separate forum/subcommittee.

The Chairman clarified that a Block covers 15/20 villages and such large areas cannot be provided comprehensive financial/banking coverage by CSPs/BCs. There has to be brick and mortar bank branch in every Block to provide comprehensive financial/banking coverage to the Block. Therefore, allottee banks must open bank branches in the unbanked Blocks expeditiously. This will be monitored by the SLBC.

There is 33% subsidy available for the entrepreneur with maximum subsidy of 1.70 crore.

#### **6. Review of status of uploading data in the SLBC Portal:**

Shri. Paogin Haokip, AGM, RBO, Dimapur, pointed out that many banks are not uploading the data in time and highlighted issues of data integrity. Shri. Sunil Kumar Tandon, CGM stressed the need to feed the data in time and correctly. He cautioned the fellow bankers that if banks are not feeding the data on time, the matter will be referred to their CEO. He also pointed out that because banks are not uploading the data in time, the SLBC meetings are getting delayed. He stressed on the need to fix the next SLBC meeting immediately so that banks are aware of the urgency and importance of uploading the data in time.

Shri. Umesh J Panaria, DGM, RBI also clarified that it is mandatory for all banks to upload the SLBC portal and urged the bankers to upload the data in time with data integrity as they are now accessing the data directly for vital information about banks in Nagaland.

**7. Opening of accounts for Job card holders and beneficiaries of MGNREGS scheme:**

Shri. Paogin Haokip AGM, RBO, Dimapur, highlighted the massive exercise taken by SBI in Kiphire District for opening of bank accounts in the Aspirational District. Shri. Bendangkoba, Commissioner & Secretary, RD informed the house that a camp wise approach for account opening will be organized in collaboration with the BDOs and the Banks to ensure 100% account opening for the job card holders. The details of the camps to be organized District wise/Block wise will be shortly made known to all banks.

**8. PMAY:**

Shri. Paogin Haokip, AGM, RBO, Dimapur, pointed out that many of the banks are not forwarding their data in this regard. He pointed out that SBI has already begun to implement the scheme in and around Dimapur and Medziphema and requested the banks to forward data in time.

**9. Performance of credit linkage to SHGs through NRLM:**

Shri. Paogin Haokip, AGM, RBO, Dimapur, stressed the need to promote SHGs in the State and highlighted the excellent performance of SBI branch at Jalukie under the scheme. Shri. Digmanu Gupta, GM network II also pointed out that NPA percentage in SHGs is very low, and urged all the banks to proactively participate in lending to SHGs.

**10. Enforceability of SARFAESI Act in Nagaland:**

The matter could not be discussed comprehensively in the absence of representative from the Justice & Law Department. However, SBI will remind the department to issue clarification on the matter.

**11. Payment of bank security charges (50% of salary of Police personnel deployed on bank duty) by the banks:**

It was agreed that the appropriate forum to discuss the issue will be the State Level Security Committee.

**12. Opening of SBI Branch at Seyochung:**

The request for opening of SBI branch at Seyochung was discussed. It was decided that SBI will explore the possibility of opening a branch at Seyochung.

**13. Gold Monetization Scheme:**

Shri. Taliremba, OSD (Finance) highlighted the salient features of the scheme. The scheme was introduced by GOI in November 2015 to mobilize the idle gold held by the households and institutions in the country and making it available for productive use. The scheme is implemented by the banks. Under the scheme gold can be deposited under (i) short term deposit, and (ii) medium and long term Government deposit, for different rates of interest. He urged the banks to give adequate publicity to the scheme and encourage households and institutions to earn interest from their gold by depositing them with the banks under the Gold Monetization Scheme.

**14. Credit Guarantee Fund Trust for Micro and Small Enterprises:**

Shri. Taliremba, OSD (Finance) highlighted that the scheme set up by the GOI, provides guarantee cover to collateral guarantee free credit given by eligible scheduled commercial banks, financial institutions, RRBs etc. to Micro and Small Enterprises. This fund directly promotes project based lending as against collateral based lending. As desired by GOI, he highlighted the changes in the scheme introduced by GOI vide MSME DO No. Secy/MSME/2018/1 dated 19<sup>th</sup> September 2018 for compliance by all banks.

**15. Uncovered Villages:**

Shri. Sunil Kr. Tandon, CGM, SBI, highlighted the need to provide banking coverage to the remaining uncovered villages in the State. He informed that many villages have a population less than 500. Given this reality, coupled with inadequate connectivity/power and poor infrastructure, the CSPs are not finding the venture viable. Also, due to the low population and difficult terrain with very little economic activities in the villages, it is difficult to find suitable applicants to work as CSPs. However, as extending financial services in the unbanked areas is a priority of the Govt. of India and State Govt. he stressed the necessity to cover the villages in a phased manner. Initially, the Banks will work towards covering villages with a population of more than 500 with CSP outlets. The suggestion was accepted by the House for implementation by the banks.

**16. Date of the next SLBC meeting:**

The next SLBC meeting for QE December 2018 will be held between 18<sup>th</sup> to 23<sup>rd</sup> February 2019.

17. The meeting ended with thanks from the Nodal LDM Shri. Lokho Peter.
