**Agenda No. 10: REVIEW OF PERFORMANCE: RURAL SELF EMPLOYMENT TRAINING INSTITUTE (RSETI) PEREN FOR FY 2025-26:** Sub Committee on RSETI was last held on 18.09.2025 and the minute submitted to SLBC. Shri Moa Sangtam, Mission Director, NSRLM pointed out that in the last meeting, SDR of North East has requested all allottee banks to start setting up of RSETI without waiting for land allotment as there is a provision for setting it up on a rented house/building. He also pointed out that all allottee banks are requesting the Government to allot the land first which is contradictory to existing guidelines. He also pointed out that all allottee banks are requested to write to MoRD for Administrative Approval where the report said that only SBI (Dimapur Region) wrote to their controlling Office at SBI, LHO, Guwahati for their approval to write to MoRD. He requested the SBI, LHO, Guwahati to take necessary action. He called upon Bank of Baroda to give update for their allotted districts of Mon and Wokha stating that the bank was found not present in almost all the meetings. Bank of Baroda representative reported that they have written to their Corporate Centre, Mumbai regarding opening of RSETI in their allotted districts for which they are waiting response from their Corporate Office.

Shri Sangtam suggested that the Banks seek In-Principal Approval Letter for opening RSETI from MoRD. He further stated that banks have to write the letter seeking approval from MoRD without mentioning availability of land through NSRLM, Nagaland. He also said that if approval is granted it is the responsibility of District Administration to allot suitable land and in the event land is not allotted to the bank and RSETI cannot be set up, the banks will not be held responsible.

Smt. Surabhi Bhattacharyya, DGM, SBI, AO, Jorhat supplemented that SBI Corporate Centre has decided that for SBI no Administrative Office or Training Institute should be opened on rental premises now and henceforth, it will be on bank's own premises. Further stating that there cannot be any deviation at policy level which makes clear that land allotment is first priority making it clear that the bank will not be allowed to set up Training Institution in rental Premises even if the bank write to the controlling level.

Shri Hubert A Wungshim, Regional Manager, SBI, RBO, Dimapur also highlighted that getting an Approval from MoRD is not an issue, however, the main concern is availability of infrastructures as the minimum training period is 30 days where both male and female are to be accommodated in the hostel which calls for all amenities like separate Hostel for male and female, Separate washroom/Toilets/, separate dormitory apart from Class Room and Quarter for Faculties. He also mentioned that there are many risks involved in running RSETI in a rented premises as

the trainees are to be trained for a minimum of 30 days. Accordingly, Shri Hubert A Wungshim stated that they have been in close contact with Deputy Commissioner, Phek and Village Council to find a land to be allotted to SBI for setting up of RSETI in Phek District. He also supplemented that the main issue from the bank side in setting up of RSETI is found to be non-allotment of land from the government side since 2013 which is the major bottle-neck further stating that Banks are ready to set up the institution if land allotment is available.

After a thorough deliberation, the house decided that all allottee banks should write to MoRD through NSRLM, Nagaland to get administrative approval as per their own protocol before 10<sup>th</sup> October 2025. SBI (Dimapur Region) is also requested to expedite possibility of opening RSETI in Khoza, Phek District.
