He also highlighted the Priority Sector Lending (PSL) in the State which stood at ₹ 2742.51 Crores, as on March 2025, which constitutes 25% of the total advances which is much below the minimum benchmark of 40%. He urged upon all Banks to step up their efforts in agricultural lending expressing his expectation that all the member banks shall perform better in days to come under priority sector lending for an equitable development for all segments of the society.

He also mentioned that as of March 2025, banks have collectively achieved 73.14% of the ACP target. However, some banks have shown poor performance in agriculture and other priority sector lending. Banks with negligible disbursement in key sectors were urged to improve their credit portfolio distribution and strive to exceed the set targets for the current financial year. He also expressed that Govt. sponsored schemes need more focus by all stakeholders at the district level to improve credit culture and arrest the growth of NPAs. Many Banks specially the Pvt. Sector banks are having **nil** outstanding in GSS which is not acceptable. He appealed to all the defaulting banks with nil outstanding in GSS to take immediate steps for sanctioning advances under GSS during this financial year.

He also highlighted that Under Social Security Schemes, as visioned by Govt. of India, all eligible account holders were to be covered under micro insurance scheme like PMSBY and PMJJBY. He expressed his dissatisfaction about the poor performance of APY in the state. He urged all banks to put more focus on APY so as to achieve the target set by PFRDA. He also urged the banks to be more proactive in decision making in the case of higher limit of loans and advances where higher level intervention is required.

**Shri Taliremba, Principal Secretary (Finance), Govt of Nagaland** highlighted that the Chief Secretary could not attend the meeting due to urgent engagement with other important Government program. He expressed his appreciation for the presence of good number of controller level of banks as compared to their presence in the past. He informed the house that based on the decision of SLBC meeting held on 28.02.2025, the State Government has written letters on 28.05.2025 to all Regional Heads/Zonal Heads of banks highlighting that they should start giving loan under SARFAESI Act 2002 based on the Land Holding Certificate issued by District Administration in lieu of land Patta.
